IMPact Project

WORKING SEMINAR

DEFINITION OF MEASUREMENT AND MONITORING CRITERIA FOR PHS POLICIES: RESULTS OF THE FIRST ANALYSIS

FRIDAY 23 JANUARY 2015 | 9:00 – 15:30

Conseil National du Travail - Avenue de la Joyeuse Entrée, 17-21 - 1040 Bruxelles

The present working seminar aims for partners of the IMPact project to **present the first analysis** led in Work Package 1, the aim of which being to establish a **list of criteria** to be taken into account while **measuring and monitoring PHS policies' effects on employment and public budget**.

The participants are the partners of the project as well as its advisory board. They are invited to share their experience with the attendance; most particularly, participants will discuss the **needs and problems encountered by public authorities** while assessing the impact of measures supporting PHS on employment and public budget.

- ▶ 9:00 - 9:30 **Registration and coffee**
